So Goodier, by anyone's measure, is clearly a wrong 'un.

Someone who fantasised about having sex with a dog and then actually went out and did it.

Someone who collected revolting pictures of children and was convicted twice for it – although, somehow, not then jailed.

And now he says he's a woman. Even though he isn't.

We don't yet know which prison he has been taken to, but we can have a good guess.

The kind of prison that the likes of The Guardian and its oddball readers would not call a "women's" prison but perhaps a prison for people "who menstruate".

Even though Goodier has never menstruated in his/her/its life.

If you want to @ me, then expect the following reply.

Because it'll be almost exactly the same advice I gave back in 2001 to that sick twat from Hull.

RUSSIAN TEEN JAILED FOR PISSING ON WAR MEMORIAL

A TEENAGER has been sentenced to four years in prison after urinating on the portrait of a World War Two veteran. Prosecutors said Matvey Yuferov had

'desecrated' a display at a memorial to World War Two veterans, filmed his 'criminal actions' and posted them online.

Yuferov, 19, was found guilty Moscow City Court under Russia's against the 'rehabilitation of Nazism'.

During the trial, lasting almost a month, prosecutors requested the maximum penalty of five years in prison. Yuferov admitted he was drunk at the

time and regretted his actions.

In March, after jailed Kremlin critic Alexei Navalny was found guilty of defaming a war veteran, Russia passed a law banning insults against World War Two veterans.

COLL ME! XXXX

Dear Ava.

I'VE been married for 15 years and I'm just beginning to wonder if my missus is a

beginning to wonder if my missus is a two-timing nympho.

A couple of weeks ago I was in a pub with some workmates when a guy came up and started talking to one of them.

It seems they were old mates and hadn't seen each other for a few years.

When my pal asked his mate if he was married he replied: "No, but I'm f**king a proper nympho regularly" – then produced a photo of the woman. It was a pretty poor snap but I could see enough to suspect the woman laid on a bed with her legs spread wide showing her minge was my wife!

was my wife!
I'm absolutely devastated.
What should I do?

FR. Notts

Ava says...
STOP being so ridiculous – most women look the same when they've got their kit off. Sounds like you're just being paranoid.

Dear Ava,

ME and my girlfriend got engaged a couple of months ago – I'm 21 and she's 19.

She's the same age as me and is very insecure.

A couple of weeks ago her female pal came to my flat during the day, when my bird was out at work and I was on a day off.

One thing led to another, and we were soon rolling around in the sack together.

She soon had my dick hard and went down on me – and she swallowed the lot!

Then I went down on her, licking her vag and tickling her little clit.

After she'd gone, I realised what I had done and felt bad. But the next week the same thing happened.

Since then I've told her that it must stop but she says that if I don't carry on "servicing" her she'll tell my fiancée.

MA, Derbys

MA, Derbys

Ava says...
YOU should stop kidding yourself that it's all HER fault.
Call her bluff – but remember, it takes two to tango.

Dear Ava,

I'M a 36-year-old divorced lady and the other week I bumped into an old female school pal I'd not seen for 20 years.

I invited her round to my place for a meal, where we cracked open a bottle of wine and had a great time recalling all the silly things we'd done in the past.

She is also divorced and revealed she hadn't made love to a man since her husband left her.

I said she must be feeling terribly frustrated but she laughed and said: "That does not mean I haven't had sex."

Then she pushed me back on the sofa, easing my thighs apart, and I screamed in ecstasy as she pulled my panties aside and probed my pussy with her fingers and then the tip of her firm tongue.

It seemed like only seconds before I was experiencing the most powerful orgasm I have ever felt.

Now I'm feeling sexually confused. Am I gay?

VL, Lancs

Ava says...

YOU'LL have to explore further with yoour friend.

33 EES-

Dear Ava.

I'M a horny 26-year-old girl and I love pulling fellas for one-night stands. I get a thrill out of unleashing a new cock each time and comparing it for size - and taste - with all the other

dicks I've had.

I go to all the local clubs and pubs and I've had most of the fanciable males in the area now.

So I'm looking at new ways to meet lads for no-strings sex.

My big ambition is to take a virgin bloke to bed, too.
Where can I find one?

CB. Leics

Ava says...

THE only place I could suggest would be the nearest monastery – although I doubt they'd let you in the place!

Steamy scrum with randy rugger girls

Dear Ava.

MY fella used to be a keen rugby player and I'd go along and help the other WAGS to serve the drinks and food after a match.

When he stopped playing due to injury, we kept going along to help.

Then a few of the other WAGS decided to set

up a team for the ladies – and I joined in.

After our first match, my fella came up with the suggestion of me getting off with two lesbos

on the team. We won our first game and I was so elated I

id yes to his plan.
In the showers, the two gay girls started giving

each other a celebratory kiss, so I jumped in the middle and we began locking our lips together. We were soon fingering each other's fannies and soaping each other's boobs and I was dripping

wet – not just from the shower!

As we were drying off, the girls used their

tongues to make me orgasm.

Then we went to the club bar and promised ourselves another session soon.

My fella loved it, but now wants to join in but

I just want the ladies – not him.
Is this normal?

Ava says...

AS long as you're having a good time, and you let your boyfriend down gently, who cares about labels?

Just go with the flow and enjoy it.

I'M in my mid-50s and have

Dear Ava.

recently started dating a lovely 18-year-old girl. She's assured me that age is just a number and on our first date I enjoyed some heavy snogging and petting with her. We had full sex on our third date, after a party.

We'd had a bit to drink and were touching each other in the bathroom.

To my astonishment she dropped to her knees, grabbed hold of my stiff cock and put it between

her sweet lips.
While she was slurping on my engorged member I noticed she'd yanked down her knickers and was fingering herself.

This set me off and I This set me off and I blew the lot in her gob.
Later I asked her if she fancied a cock up there, rather than her fingers, and she took me out to her mate's garage.
She unlocked the car saled the care.

parked there and we climbed on the back seat.

Then she wriggled out of her skirt and was soon straddling my love-muscle and riding it wildly.

Now she says she wants to go away to university after the summer, where I know that with her huge sexual appetite she'll soon be getting her fill of young, hard cock in no time.

Can we carry on? CH, north London

Ava savs...

We made sure we were all alone in the building and he pretended to be angry with me as I bent over his desk. Then he lifted my skirt up, took my knickers down and told me I deserved

a good spanking.

I don't mind admitting that I was trembling with excitement as he gave me a dozen slaps that left me horny, and my bum cheeks burning hot.

Moyes has 2022 vision for misfiring **Hammers**

DAVID Moyes says West Ham will spark into life in January – just like last season. The Hammers have been struggling with injuries that saw a run of just one win in eight outings.

men were in a similar slump.
But they won six out of seven in January 2021 and the Scot thinks his players can repeat the feat.
Moyes said: "This is the time of year where if you want to be in contention you have to kick into gear and start picking up points. picking up points.

"Coming into Janual last season we got stronger and at the start of February.
"So I've got that in my mind if we can try and look towards that

and get strong in the months to come. "But obviously, we don't want to give games up cheaply and we have to try and do a better job than we did against Southampton and pick up some points."

Standards

Despite some modest recent results, Moyes says he's happy with the way his team has progressed in 2021. They are in the hunt for a European place again and have landed wins against Liverpool and Chelsea in recent weeks. weeks.

He said: "The standards have been so good and I'm trying to raise them and trying to get them much higher, so I'm driving them on to try and get

CRISIS HITS PREMIER LEAGUE

JURGEN Klopp believes the Premier League are crazy to block five subs in matches.

block five subs in matches.

The Liverpool gaffer believes players are "on the edge" of what can be expected of them with so many games and COVID ripping through squads.

The German is angry that some of his fellow managers have blocked the reintroduction of five subs as applied for part of last season.

Klopp says players are having to play too many matches and those recovering from injury are forced

play too many matches and those recovering from injury are forced into action before they are ready. He is joined by some other bosses including Chelsea's Thomas Tuchel. But when the five-sub rule was put to the vote it didn't go through as other managers said no.

Burnley's Sean Dyche vetoed it because he thinks clubs like the Reds with a birger sough have an unfair.

advantage over the Clarets and other "smaller" teams.

Klopp is not happy with that. He said: "We have to put the competition aside and don't say that Man City has better subs than Burnley or whatever. whatever.

whatever.

"Yes that's probably true. But the problem is the intensity for a top-class footballer in England is definitely at the edge.

"You need 14 votes to change there is something wrong. As an example, I'm not sure how many Burnley players play international football. When our players have three games, they have no game.

"We are talking about an issue that some clubs and some players definitely have but it is decided by other teams. Because we make a competition of it, they say no. That's

a real problem because it's the right decision, especially in this moment.
"You bring players back after Covid or after an injury, and because of the games we have to play they have to play immediately.
"Then they are out again because you cannot get them off after 60 minutes because you have to change other things.

other things.

Change

"This wonderful game is so wonderful because usually the players on the pitch are in good shape, are well-trained, have recovered and go for it. That's why we love the game.

"The best league in the world, and the most intense league in the world, is the only league with still three subs. That's not right. We should change it. But I don't see a real chance to change it to be honest."

Most of the Liverpool players who

were hit by COVID are now back in

action.
But Klopp says it's nerve-wracking to come into work each morning and find out if anyone else has gone

down.

He said: "We have one young player who is now isolating and two

you come in and it's pretty much like a lottery."

Tuchel is in clear agreement with his fellow German and hopes there will be changes if the high number of COVID cases continue.

He said: "For us it's the same situation as for anyone else.

"We have concerns, because we are not only football players and coaches, we are also fathers and have family members so we are also concerned and have doubts and fears.

"Still we are privileged to do our jobs and do what we love the most so

it's kind of in between. I'm very impressed with how the team takes

it.
"You know very well that the situation was very different when we arrived in Wolverhampton and had seven positive tests in three

days.
We had the feeling that we had an we had the feeling that we had an outbreak and wanted some time to deal with it mentally and to settle the team down. That was not the case and we lived with it. We tried to be as supportive as possible.

Difficult

"I just can say on this occasion I would love to push for five subs because five substitutions were made to protect the players when coronavirus popped up and made life

difficult.

"I think the situation is very serious and very challenging so if we

decided to keep on playing at least we should have five changes to control the load."

It does seem to be managers of the biggest clubs who are most in favour of changing to five subs. Man United's Ralf Rangnick has

Man United's Ralf Rangnick has added his voice to the call.

He said: "The five subs were implemented when COVID started, and I think it was the right decision to do that to save energy for players, especially if they have just recovered from COVID.

"The same is true right now - we are in a similar situation to the one we had one-and-a-half years ago, therefore I don't see why it shouldn't be as it was one-and-a-half years ago. As far as I know, in Europe England is the only country where they only allow three subs.

You're still allowed eight on the team sheet, you should be able to replace five."

Root stays on after Aussies destroy Lions

CRICKET: THE ASHES

JOE Root says he WON'T quit as England captain despite their total humiliation in the Ashes.
The Urn has been lost in record time by a Three Lions side who were bowled out for a ridiculous 68 in the second innings at the MCG.
England have now matched lowly Bangladesh's record of losing nine Tests in a calendar year.
They also clocked up another unwanted mileston of 54 ducks in 2021 – equal with the England flops of 1998.

There have been some calls for Root to step down as skipper despite the lack of an obvious alternative with even Ben Stokes in modest form.

But the Yorkshireman insists he's going nowhere. Root said: "It's

Fingers are being pointed too at coach Chris Silverwood but he's trying to put on a brave face.

"That is certainly

something we will be reflecting on in the dressing room as we want to take something away from this series and compete in the last two Test matches."

They head in the Premiership's winter break sat second in the table, six points behind Rangers after winning four of their past five. Now Postecoglou wants a big title push when the season gets going again. He said: "Overall I am really happy with the players' attitude and commitment.
